Year 6 Victorian Enrichment Day

Dear Parents/Carers

As part of our history topic, The Victorians, we have planned an enrichment day to immerse the children in their learning.

We will be holding the enrichment day on **Thursday 29th January 2026.**

The theme of our enrichment day is the Victorians. This will be a celebration and continuation of the children's learning within our topic. We will spend the morning of our day completing a range of activities from a Victorian school room, complete with lessons, to Victorian cookery and games.

To enhance the children's involvement even further, children are encouraged to wear something from home, (which does not need to be shop bought) to link in with the Victorian era.

Please let us know if you have any questions.

Yours faithfully,

Mrs Wonderling and Mrs Wilson
