12<sup>th</sup> January 2026

Dear Parents/Carers,

### **RECEPTION ENRICHMENT DAY – What do I want to be when I'm older?**

This half term we will be exploring 'People Who help Us'. We will be looking at different occupations and finding out more about their job roles.

Therefore, we have arranged for an 'Enrichment Day' to help us explore this further. This will take place on **Friday 30<sup>th</sup> January 2026**. It will be a very exciting day with children learning about different job roles within the community and we hope the experience will help to capture the children's imagination further.

During the day, the children will have the opportunity to explore different occupations, act out different job roles, share their aspirations and participate in lots of exciting activities. We will be investigators to find out who has visited our classroom and use our amazing superpowers to come up with a plan to investigate who it is.

To enhance the children's involvement even further, children are encouraged to dress up to show what they want to be when they are older – these can be purchased outfits or even better, home-made!

If you have any questions, please do not hesitate to ask.

Yours sincerely,

Miss Milbourn  
EYFS lead
