Dear Parents/Carers,

### YEAR 1 - FRANCE ENRICHMENT DAY

The Year 1 Geography topic this half term is 'France'.

We are pleased to let you know that we have arranged for an enrichment day to help us explore the topic further. This will take place on Thursday 12th February. It will be a very exciting day, and we hope the experience will help to capture the children's imagination and embed all that they have learnt so far.

During the day, the Year 1 children will have the opportunity to discuss and learn more about France including its geographical location, the climate, famous French landmarks learning about famous French artists, creating a piece of their own artwork, as well as trying a variety of French food!

To enhance the children's involvement even further, children are encouraged to dress up as someone who may traditionally live or be from France - or perhaps your child's costume could incorporate the colours of the French flag (red, white and blue). We can't wait to see how creative the children can be!

If your child has any food allergies or intolerances, please speak directly with us and we will do our best to accommodate their needs.

Yours sincerely,

Mrs Venemore and Mrs Rahman  
Year 1 Teachers
