

KSI-JJ!

This youtuber is mostly known as a boxer, Britain's got talent judge and more fun content. This biography shares more iconic facts you might not know about Olyside Olayinka.

Born on 19th June 1993, KSI (also known as JJ) is a fashionable youtuber with an outstanding amount of 25 million subscribers on his main account but overall he has over 40 million. Raised by Nigerian parents, JJ grew up in Watford with his younger brother Deji. Deji is also one of the reasons KSI has so many subs, he shared comedy and his videos. Started going viral. Also, Olyside Olayinka's life wasn't always that easy, he had to face many tough obstacles and technical challenges within facemim and fights.

As KSI started getting more and more attention, he was getting known for his FIFA videos and started vlogging. He upgraded his ultimate team by taking matches to the next level (as he keeps winning every single one he plays). Sometimes he would even face his brother in a head to head!
