The BFG

It was a dark and quiet night. I was in my bed reading a book. All of a sudden I heard a strange noise. I got up to the window. I looked out. No one was there. I was scared, numb and paralysed with fear. A big hand reached over. I tried to hide under my blanket, but it grabbed me and my blanket, pulled me out of bed, and it ran away with me. Crossing the road, over mountains, through jungles, over mountains and oceans. I didn't know where we were going. I was horrified! The wind whipped my blanket around me as the landscape passed in a blur. I covered my eyes because I was so dizzy.
