### After School Provision (ASP) 2024/25

Dear Parents/Carers,

You have confirmed your interest in securing a place at the ASP.

If you would like to use this provision for the next academic year (2024/25) we require you to read the attached contract and complete and return the slip by Friday 12<sup>th</sup> July 2024.

The sessions cost £15.00 for the first child with each additional sibling being charged at a cost of £12.00 each. Weekly fees must be paid in advance via Arbor to secure a place each day.

Please see attached letter which details tax free childcare entitlements for which you may be eligible.

Unfortunately, due to the high demand for this provision, if we do not receive your completed slip by 12<sup>th</sup> July 2024, spaces will be allocated to pupils on the waiting list.

Yours sincerely

Mrs S Wakeling  
Executive Headteacher
