

Mr Magnolia

Mr Magnolia has only one car.
At night he looks for a golden shooting star.

He shows his muscles by breaking a glass jar.

He loves to drive with his friends in his orange car really far.

But Mr Magnolia has only one car.

Mr Magnolia has only one map.
To say hello to his friends he tips his blue cap.

For his birthday, his wonderful neighbours give him a cape.

He enjoys singing and dancing to the chicken rap.

In his kitchen he has a broken leaking tap.

After eating his big dinner he takes a nap.

But Mr Magnolia has only one map.
