

Slowly a terrifying monster got out of a big lake with his gloomy yellow eyes with the help of his hands. His skin is lime green and some of it is dark green. It has smelly teeth with his dark green lips and when he sees marshmallow he eats it. The scary and hungry monster has sharp claws that are smelly. He has a long tail. He looks like a fish monster. The smelly monster is green and lime green. When he smiles he looks happy. The monster is angry. He is terrified and very angry and scary. The monster is scary but also scary as well but he is also a creepy clown. He likes the boys' yummy marshmallow to feed himself because he is a marshmallow monster. He is very greedy and scary. He likes the boys' yummy marshmallow in his belly. To fill it self and if it is finish he will be very very angry and try to kill you with his creepy claws to tell you he is stronger and braver. He is very terrifying to people that don't have marshmallow. He is very comfortable at his own way. He is very very strong.
