

Dear my beloved Son Veridian

I am writing this letter to you so I can apologise for all the pain I have so selfishly caused. I believe that I can still reunite with you and your daughter, I cannot wait to know more about her, who is as beautiful as your mother. I hope this will help us reconnect.

There is something I need to tell you, which has been weighing on my mind. I am concerned that you will desert your beautiful daughter. I hope you don't do this something I did at your age. I hope you listen to me after all these years we have been apart for because I don't want this toxic trait becoming a cycle. I know I have made a lot of mistakes in my life, but don't follow my path.

I hope you answer.

from your loving father,

Nicholas.
