Dear Mr Wishgranter,

I am writing to you because I have the chance
ask you to grant me a wish with your
enchanting power. I spent a long time thinking
about my wish. I have made my decision my
wish is to go on a family holiday to Hawaii.

Ever since I was a little boy I have dreamed
of a summer holiday with my entire family.
You must grant my wish because I don't like my
family or school or my life in England
and want to go on a vacation.

Secondly - I want you to grant my wish
because they have been working hard and I feel
like they want to be out in the
burning hot sun.

Thank you for taking your time reading
this letter. I hope you agree on my wish.

Yours sincerely

Alian
