

GOLDI LOCKED

Reported by Ehsaan Al-Eminan

On Monday 7th February 2024 9:00 am, a 15 year old girl named Mary Jane Locket (although nicknamed Goldilocks by local citizens) has injected fear and trepidation into many villages. Victims from village of Ely, Troll Land and dreamville have complained about their houses damaged beyond repair, but the most recent attack was at messers Daddy Bear, Mummy Bear and Baby Bear's cottage on Pine Place in Oakwood Borough.

The grave crimes committed by the teenage girl are: Theft, vandalism, breaking and entering and criminal damage. Since the crime of the Three Little Bears there has been uproar in the inhabitant villages speculating this terrible event against a kind & hard working bear family.

In the early hours at 10:00 am, the Elyish Police Department (EPD) was informed of the terrible event a few hours prior to the crime by a panicked Mummy bear who had discovered a criminal had broken into their household very recently. Rising up to the occasion magnificently, the police arrived at the crime scene and quickly informed the owners of the house to evacuate the premises immediately. Setting off to work the group of detectives searched every nook and cranny for clues. After 7 hours of thorough investigation in the bear's property, the sheriff of the EPD announced "this is a horrible event, but we have found a great deal of evidence and we know that a
