3rd September 2024

Year 5 trip to Greenwich Observatory

Dear Parents/Carers,

We are pleased to let you know that we have arranged for all Year 5 pupils to attend a trip to The Greenwich Observatory as part of our Science topic, 'Earth and Space' on **Wednesday 9th October 2024**. During the visit, children will have the opportunity to watch, "We are Guardians" in the planetarium, which provides a solid introduction to space, our solar system and the night sky. In addition to this, we will have access to the main museum.

We will be leaving school by coach at 9:00am and need all pupils to be in promptly for 8.40am to register. We will leave The Greenwich Observatory around 1.45pm and aim to return to school by 3pm. In case of traffic, please check The School App as we will communicate with you via this. Every child will need a packed lunch (no glass bottles or fizzy drinks). Packed lunches should be in strong, disposable carrier bags in order to be easily disposed of. If your child is currently in receipt of Free School Meals and you wish to order a school packed lunch, please let the school know by Friday 27th September.

If you are available to help out, please let us know; you will be notified by the class teacher if we need you. The cost of the trip is £13.00 per pupil. Please pay this on Arbor by Friday 27th September 2024. If you have a particular reason as to why you cannot make this payment, please do speak with the school office.

Yours sincerely,

Mrs Wonderling and Miss Palmer
