17th March 2025

Dear Parent/Carer

As part of our science topic, we have arranged for our Year 2 classes to visit Hanningfield Reservoir on Tuesday 29th April 2025. There will be a wide range of activities linked to animals and habitats that we will take part in to enhance the children's current learning and understanding of animals, habitats and lifecycles.

The cost of the trip is £15.00 per pupil, this covers the cost of the activities and the coach there and back. Payment and consent will need to be made via Arbor. You will be able to do this in the 'trips' section of the app.

We will be leaving school at 9am and returning by 3.15pm. We will need a small number of parent helpers to support us. Please let your child's class teacher know if you can help.

Children need to wear school uniform so that they are easily identified and sensible shoes for walking. They should bring a warm waterproof jacket, labelled with their name.

The children will also need to bring a packed lunch which should not include chocolate, sweets, fizzy drinks or glass bottles and be free from nut products. If you would like a free packed lunch provided by the school, please let us know as packed lunches will need to be ordered by Thursday 24th April.

Please make sure you choose Packed Lunch on Arbor for that day.

Yours sincerely,

Mrs Howard and Miss Adeyemi
