### Year 4 Enrichment Day: "Countries of the World"

Dear Parents/Carers,

The Year 4 Geography topic this half term is 'Countries of the World'. This topic gives an insight to where our food comes from and the importance of global trade. We are pleased to let you know that we have arranged for an enrichment day to help us explore the topic further and fully immerse the children. This will take place on **Friday 14<sup>th</sup> March 2025**.

It will be a very exciting day for the children as they will have opportunities to look deeper into our trading system. The day will involve exploring where foods are grown and imported from, understanding the importance of promoting fair trade and designing, creating and pitching their very own signature food dish-with the purpose of reducing emissions from importation and using fair trade products.

We encourage children to dress up in a particular country's flag colours or their cultural clothing. There is no need to purchase anything new, please use clothes you already have.

If you have any questions, please do not hesitate to speak to us.

Yours sincerely,

Miss Marri and Miss Revell  
Year 4 Teachers
