Year 5 trip to Southend Planetarium

7th September 2023

Dear Parents/Carers,

We are pleased to let you know that we have arranged for all Year 5 pupils to attend a trip to Southend Planetarium as part of our Science learning on Friday 13th October. During the visit, children will have the opportunity to watch a fully interactive "Introducing the Night Sky" which provides a solid introduction to space, our solar system and the night sky. In addition to this, we will have access to the art gallery and the main museum.

We will be leaving school by coach at 9:00am and need all pupils to be in from 8.40am to register. We will leave around 2pm and aim to return to school by 2.45p.m. In case of traffic, please check The School App as we will communicate with you via this. Every child will need a packed lunch (no glass bottles or fizzy drinks). Packed lunches should be in strong, disposable carrier bags in order to be easily disposed of. If your child is currently in receipt of Free School Meals and you wish to order a school packed lunch, please let the school know by Wednesday 20th September.

If you are available to help out, please ensure that you give your details; you will be notified by the class teacher if we need you. The cost of the trip is £11.00 per pupil. Please pay this on Arbor by Friday 6th October 2023. If you have particular reasons why you cannot make this payment, please do speak with the school office.

Yours sincerely,
Miss Evens and Miss Goodsell
