AUTUMN TERM PARENT/PUPIL LEARNING REVIEWS

Reception: Wednesday 15th November

Dear Parent/Carer,

As part of our parental consultation process in the Autumn Term we hold a 'Learning Review' and will now run these face to face sessions during the school day.

The review allows more time for the consultation to take place and more flexibility around times that parents can attend. There is also the additional benefit of the children attending so that they can see first-hand themselves how they are performing and their next steps.

As always, the success of this system will depend on parents arriving in good time and on both parents and staff adhering to the 10 minute appointment slot and not running over. Of course, should you have any concerns for which you feel you need a longer time, please do not hesitate to make arrangements with the class teacher.

Please note that the learning review starts at 8:30am and finishes at 4:30pm

Below you will find a slip for you to indicate your preferred time slot. We will do our best to accommodate you. If for any reason you are unable to attend the review, please indicate this on the slip and return it. Your child's class teacher will then return the slip to you with your appointment time.

Yours sincerely

Mrs Wakeling
