Careers Day - Can you help?

Dear parents/carers,

This year we are celebrating National Careers Day in May! As part of this, all of the children will be invited to dress up on Friday 24th May as what they want to be when they are older. We are excited to announce that we will be holding a 'Careers Fayre' specifically for our Year 5 pupils.

With that in mind, if you are in a profession and you would be willing to come into school for the morning or afternoon to talk to the children about what your job entails, then we would love to hear from you!

It would be wonderful to have volunteers from a whole range of sectors for example - hairdressers, builders, doctors, business owners, dentists, graphic designers, artists, musicians, farmers, electricians, dog trainers - the list continues!

We held our first careers day last year and the children were enthralled, listening to the roles of people in our community. The success of this day really does depend on whether we can arrange for enough volunteers to offer their services and there is no doubt that engaging with the next generation of employees is a worthy use of your time.

If you can help in anyway, or know of someone who may be in a position to, then please email the school for the attention of Mrs Robinson at admin.qha@catrust.org.uk

We look forward to hearing from you and thank you in advance for your support.

Mrs Robinson

Assistant Headteacher
