Headteacher - Mrs S Wakeling

29th January 2024

Dear Parents/Carers,

YEAR 3 – VOLCANOES ENRICHMENT DAY

The Year 3 Geography topic this half term is 'Volcanoes'. We are pleased to let you know that we have arranged for an enrichment day to help us explore the topic further and fully immerse the children. This will take place on **Thursday 8th February 2024**.

It will be a very exciting day for the children as they will be learning about the different types of volcanoes and why they occur, they will be researching some of the world's most famous volcanoes and becoming news reporters for the day and they will also have the opportunity to build and erupt their own volcano.

To enhance the children's involvement even further, children are encouraged to dress up in red, yellow and orange or as an explorer, geologist, or perhaps an adventurer.

If you have any questions, please do not hesitate to speak to us.

Yours sincerely,

Mrs Wonderling and Miss Black
