Class Changes: September 2024

Dear parents/carers,

In September, we plan to regroup the children forming new classes. This is something that we have done in the past and found it to be an effective way in helping the children learn and play with a wider range of peers, as well as ensuring that classes remain balanced in response to pupil development.

We invite you to speak with your child about their current friendships as we will do our utmost to ensure that they are placed with at least one of the classmates they list below. We understand the importance of the friendships that your child has formed.

Please complete the table below with your child and return to their class teacher by **Friday 28th June**. If your form is not returned, we will use our knowledge of who your child works well with and place them accordingly.

Please be assured that regardless of home class, children have lots of opportunities to mix across the year group - through English and Maths setting and of course at break and lunch times.

We thank you in advance for your support with this.

Yours sincerely,

Mrs S Wakeling
