Year 6 Pop Art Enrichment Day

Dear Parents/Carers

As part of our art topic, we have planned an enrichment day to immerse the children in their learning.

We will be holding the enrichment day on **Friday 14th June 2024.**

The theme of our enrichment day is Pop Art. This will be a celebration and continuation of the children's learning within our topic. We will time exploring different artists from this genre and talk about the unique features that each artist uses.

The children will then have the opportunity to create their own pop art pieces, using a variety of different mediums and inspiration.

To enhance the children's involvement even further, children are encouraged to dress as an artist for the day - this might involve bright, colourful clothing. Please ensure that both dress and footwear are appropriate. Children are invited to bring in their own personal resources from home to use, such as pens, but these must be clearly labelled with their name.

Please let us know if you have any questions.

Thank you,

Mrs Wilson and Mrs Robinson.
