School Health in Thurrock

NCMP, Hearing and Vision Screening Results

In September 2023, we informed you via your child's Parent Mail that we will be completing screening for all Reception children.

We just want to let you know that Reception screening has started and to check to see if your child has been screened then please register/login to the Parent Portal using the link below.

As well as accessing your child's results, you can complete a short health questionnaire with lots of useful information.

Parent Portal quick link: <http://qlink.uk/NELFTh2324YR/139576>

Learn about healthy living together as a family.

A team of award-winning family nutritionists who are experts at engaging children around healthy eating and exercise in a fun way!
