Dear Parents and Carers,

National Careers Week Dress Up Day Friday 24th May

This year to celebrate National Careers Week and to raise money for the school, we, the School Council, have organised a Careers Dress Up Day for the children to dress up in the clothes of their dream job.

We feel it is important to celebrate National Careers Week as: it links our learning to the real world; increases the children's motivation to work hard; brings more relevance to our learning; challenges gender stereotyping about jobs and school subjects; and broadens the children's aspirations.

The £1 contribution to take part in the dress up can be made via Arbor, thank you to those of you who had already contributed earlier in the school year.

We look forward to seeing the children dress up in their aspirational career costumes and hearing all about their plans for the future!

But for now, be kind, be positive and be your best.
