29<sup>th</sup> April 2024

## Year 6 Victory in Europe Day

Dear Parents/Carers

As part of our history topic, we have planned an enrichment day to immerse the children in their learning.

We will be holding the enrichment day on Wednesday 22<sup>nd</sup> May 2024.

The theme of our enrichment day is VE Day. This will be a celebration and continuation of the children's learning within our topic. We will spend the morning of our VE Day completing a range of activities that people were able to do despite rationing at the time and will prepare for our afternoon in which we will re-enact the VE Day celebrations.

Linking in with our design and technology and science topics, the children will also be able to investigate seasonal foods with a focus on food that was available during World War Two. Prior to the enrichment day, we will research seasonal fruits that could be grown in the British countryside in addition to what would have been rationed. Based on the children's findings, they will plan a three course 'come dine with me' to try during our VE Day Celebration (allergies have been taken account of but please get in touch if you have any concerns).

To enhance the children's involvement even further, children are encouraged to wear something from home, (not shop bought) to link in with the WWII era and the motto 'make do and mend'.

Please let us know if you have any questions.

Thank you,

Mrs Wilson and Mrs Robinson.
