2nd November 2026

Dear Parents/Carers,

YEAR 2 - BRAZIL ENRICHMENT DAY

The Year 2 Geography topic this half term is 'Brazil' which involves exploring the physical and human features of Brazil and the differences in life compared to the United Kingdom.

We are pleased to let you know that we have arranged for an enrichment day to help us explore the geographical aspects of the country even further as well as become immersed in their cultures. This will take place on **Friday 13th November 2026**. It will be a very exciting day with children learning more about Brazil in greater depth and we hope the experience will help to capture the children's imagination further.

During the day, the Year 2 children will have the opportunity to make a traditional Brazilian sweet, learn about the Brazilian flag and the colours behind it, before trying some Brazilian fruit and making a carnival mask, in preparation for a carnival in the afternoon!

To enhance the children's involvement even further, children are encouraged to dress up in colours of the Brazilian flag (green, yellow and blue), or colourful carnival clothes! This can be a colourful t-shirt, dress or just socks.

If you have any questions, please do not hesitate to speak to us.

Yours sincerely,

Mrs Howard and Miss Adeyemi

Year 2 Teachers
