19<sup>th</sup> November 2024

Dear Parents/Carers,

### YEAR 3 - KENYAN ENRICHMENT DAY

The Year 3 Geography topic this half term is 'Kenya' which involves exploring the physical and human features of Kenya and the differences in life compared to the United Kingdom.

We are pleased to let you know that we have arranged for an enrichment day to help us explore the geographical aspects of the country even further as well as become immersed in their cultures. This will take place on **Thursday 28<sup>th</sup> November 2024**. It will be a very exciting day with children learning more about Kenya in greater depth and we hope the experience will help to capture the children's imagination further.

During the day, the Year 3 children will have the opportunity to create a Kenyan safari silhouette painting, learn about the Kenyan flag and the colours behind it, before learning some African drumming and making a Kenyan mask, in preparation for a carnival in the afternoon!

To enhance the children's involvement even further, children are encouraged to dress up in colours of the Kenyan flag (green, black, red and white). This can be a colourful t-shirt, dress or just socks.

If you have any questions, please do not hesitate to speak to us.

Yours sincerely,

Mrs Bradding and Miss Lee

Year 3 Teachers
