Parent Workshops

Dear parents and carers,

We are delighted to be running parent workshops again this term! The purpose of the workshops is to inform you about our curriculum and how you can best support your child at home.

For this term, the focus of the workshops will be Mathematics - mainly focusing on the four operations and effective strategies to support arithmetic within class. We will also model how we use our Best Methods to support learning.

The workshops will begin with an informative meeting in our school hall, delivered by the lead teachers in each year group, before having the opportunity to work in class with your child so you can see the strategies and teaching methods in action.

The dates for the workshops are listed below and we invite you to confirm your attendance on Arbor. You will find a link to the workshop in the 'trips' section. This will be available from 3:30pm today.

In the past, these workshops have been hugely successful, parents have found them to provide a real insight into how their children learn in school and what they can do at home to enhance this further.

Date	Year Group	Location
Monday 7 th October 2024	9am - 10am Year 2	Bradleigh Hall
Tuesday 8 th October 2024	9am - 10am Year 3	Bradleigh Hall
Wednesday 9 th October 2024	9am - 10am Year 4	Bradleigh Hall
Thursday 10 th October 2024	9am - 10am Year 5	Bradleigh Hall
Friday 11 th October 2024	9am - 10am Year 6	Bradleigh Hall

We look forward to seeing you there and thank you for your continued support.

Yours sincerely,

Mrs. Wakeling
Headteacher
